FS2004 Saab 340 Delta Air

Description: The SF340 was originally developed as a cooperative venture between Saab and Fairchild. Saab completed the project after Fairchild and the 340 went on to enjoy great success in the feeder and regional airliner market. By Mike Stone Repaint to the former Delta Air - standard with FS-Repaint, version 1.08.46 by Ulrich Ferner

FS2004 Saab 340B

Description: Delta Connection repaint for Mike Stones' FS2004 Saab 340B. Web page: www.pmstone.com Repaint is Freeware. Mr. Stones models fly very well and because they are so frame rate friendly, they make super great AI traffic, too. This was made with AI traffic in mind for our local Delta Connection airport. Rick Connolly
