### FS2004 Airbus A380-800 Paintkit/ White livery

Description: High quality Gmax model of the Airbus A380-800, the world's largest passenger jet. The model includes all the usual things as a steering nosewheel, taxi and landing lights, dynamics shine and all moving parts, including a fully animated landing gear animation. Some special things include three opening doors, with visible interior. Flexing wings, wing views and trim animation for the horizontal stabilisers. Model, dynamics and textures by Robert Versluys.
