FS2004 7E7-800 Royal Nepal Airlines

Description: First things first... all credit goes to Robert Versluys... -the wonderful model and flight dynamics. The only thing I did to it is repaint it! This repaint of mine is very crude and hasty but i've managed to come to this much. This is done in new Livery (FICTIONAL) and because I need time to repaint the proper livery, I shall upload that very soon in weeks. If you have any questions or comments/suggestions, please write to me. Yeatin Giri

FS2004 Boeing 7E7 (Dreamliner) Turkish Airlines

Description: I tried to make my repaint realistic as possible. It has some dirt effects on the fuselage and on the engines. All the colours are very similar to the real aircraft livery. I used photos to provide a realistic look. Original Aircraft by Robert Versluys. Aircraft Repaint by Karan Gorania.
